**Immersive architecture places us in locations of lush beauty, where outdoor nature provides a screen for indoor rooms. Beams of light pierce the scene, focusing the attention on marble-inspired ceramic surfaces that evoke past experiences, reworked in a modern dialogue with bespoke furnishings of elegant severity.**

Un’architettura immersiva ci proietta in atmosfere rigogliose, dove la natura in outdoor partecipa alla schermatura degli spazi interni. Tagli di luce puntuali entrano in scena, orientando l’attenzione su superfici ceramiche d’ispirazione marmorea, testimoni di esperienze passate, rivisitate in un dialogo attuale con arredi su misura dal carattere rigoroso.

**FR** Une architecture immersive nous projette dans des atmosphères luxuriantes, où la nature extérieure sert aussi d'écran aux espaces intérieurs. Des lames de lumière ponctuelles entrent en scène, dirigeant le regard sur des surfaces en céramique inspirées du marbre, témoins d'expériences passées, revisitées dans un dialogue actuel avec un mobilier sur mesure au caractère rigoureux.

**DE** Eine in das umgebende Grün eingetauchtes Gebäude, wo die Natur zur Beschattung der Innenräume beiträgt. Gezielt inszenierte Lichteinfälle richten die Aufmerksamkeit keramische Oberflächen in Marmoroptik, die das klassische Belagsmaterial neu interpretieren und in einem interessanten Dialog mit dem strengen, maßgefertigten Interieur stehen.

**ES** Una arquitectura inmersiva nos proyecta a ambientes exuberantes, donde la naturaleza del exterior participa en el blindaje de los espacios interiores. Cortes de luz puntuales entran en escena, orientando la atención sobre superficies cerámicas de inspiración marmórea, testimonios de experiencias pasadas, reinterpretadas en un diálogo actual con decoraciones a medida de carácter riguroso.

**RU** Иммерсивная архитектура погружает нас в пышную атмосферу, в которой природа снаружи помогает защищать внутренние пространства. На сцену выходят четкие лучи света, заставляя обратить внимание на вдохновленные мрамором керамические поверхности, свидетельствующие о накопленном опыте, переосмысленном в современном диалоге с выполненной на заказ мебелью в строгом стиле.

**The broad vein patterns of the Calacatta Viola and Borghini shades contrast with the ever-changing streaks in the Statuarietto and Verde Aver shades, in porcelain stoneware surfaces with two finishes, natural and Lux, for floor and wall coverings with an impressively authentic effect. Mosaic and chevron tiles adorn the collection, suggesting an architectural approach open to a variety of expressive languages.**

Le ampie venature dei colori Calacatta Viola e Borghini si contrappongono alle irrequiete striature dei colori Statuarietto e Verde Aver, in superfici in gres porcellanato dalla doppia finitura, Naturale e Lux, per soluzioni a pavimento e rivestimento dalla resa materica autentica. Mosaici e chevron adornano la collezione suggerendo un approccio progettuale trasversale a mutevoli linguaggi espressivi.

**FR** Dans les couleurs Calacatta Viola et Borghini, de généreuses veines contrastent avec les stries mouvementées des couleurs Statuarietto et Verde Aver, parcourant des surfaces en grès cérame à double finition, naturelle et Lux, pour des solutions de sol et de mur au rendu de matière authentique. Mosaïques et chevrons ornent la collection, suggérant une approche transversale du design embrassant des langages expressifs fluctuants.

**DE** Die ausgeprägten Äderungen der Farbvarianten Calacatta Viola und Borghini stehen im Kontrast zu den unruhigen Streifen der Farbvarianten Statuarietto und Verde Aver. Zwei Oberflächenausführungen, Natur und Lux, ermöglichen Designlösungen für Boden und Wand mit authentischer Materialanmutung. Mosaike und Chevron-Formate runden die Kollektion ab und inspirieren zu stilübergreifenden Gestaltungslösungen mit spannenden Ausdrucksformen.

**ES** Las amplias vetas de los colores Calacatta Viola y Borghini se contraponen a las nerviosas estrías de los colores Statuarietto y Verde Aver, en superficies de gres porcelánico de doble acabado, natural y Lux, para crear soluciones para pavimento y revestimiento de resultado matérico auténtico. Mosaicos y chevrones adornan la colección sugiriendo un enfoque proyectivo transversal a lenguajes expresivos variables.

**RU** Широкие прожилки цветов Calacatta Viola и Borghini противопоставляются живым прожилкам цветов Statuarietto и Verde Aver на керамогранитных поверхностях с двойной отделкой - натуральная и Lux - для получения решений для настила полов и облицовки стен с реалистичными фактурными эффектами. Коллекцию украшают мозаики и плитка для укладки елочкой, предлагая универсальный проектный подход к изменчивым приемам выражения.

**Interweaving veining tells tales of large communal spaces, clad with a marble-effect collection offering ultra glossy or natural looking finishes. Porcelain stoneware surfaces furnish interiors with sublime refinement, in a contrasting mix of different decorative styles and sensations which shift effortlessly across inspiration materials.**

Un intreccio di venature racconta le cronache di ampi spazi di condivisione rivestiti con una collezione effetto marmo caratterizzata da finiture di estrema lucentezza o dall'aspetto nature. Superfici in gres porcellanato arredano gli ambienti con sublime raffinatezza in un antagonismo di sensazioni e stili decorativi differenti che si muovono sinuosi tra le materie d'ispirazione.

**FR** UUn entrelacs de veines fait la chronique de grands espaces de partage revêtus d'une collection effet marbre, aux finitions extrêmement brillantes ou à l'aspect nature. Des surfaces en grès cérame décorent les espaces avec un raffinement sublime, dans un antagonisme de sensations et de styles décoratifs différents qui déploient leurs lignes sinueuses entre les matières d'inspiration.

**DE** Ein Flechtwerk aus Äderungen charakterisiert die Kollektion in Marmoroptik mit glanzpolierter oder unbehandelter Oberfläche, mit der die Gemeinschaftsräume gestaltet sind. Feinsteinzeugbeläge schmücken die Räume mit sublimer Eleganz in einem Kontrastspiel aus unterschiedlichen Optiken und Stilen, die sich aus den Materialvorbildern entfalten.

**ES** Un trenzado de vetas define la fisonomía de amplios espacios destinados a la socialización, revestidos con una colección de efecto mármol caracterizada por sus acabados extraordinariamente brillantes o de aspecto natural. Superficies de gres porcelánico decoran los ámbitos con sublime refinamiento en un antagonismo de sensaciones y estilos decorativos diferentes que se mueven sinuosos entre las materias de inspiración.

**RU** Переплетение прожилок рассказывает о больших общих пространствах, облицованных коллекцией с эффектом мрамора и отделками с зеркальным глянцем или натуральным видом. Керамогранитные поверхности оформляют помещения с утонченной изысканностью, находясь в противоречии с ощущениями и разными декоративными стилями, гармонично существующими с материалами-источниками вдохновения.

**From the classical Apuano and Calacatta by way of the tasteful vein patterns of Bardiglio and Alpi, through to the forceful Marquinia, five aesthetically variegated shades constitute a porcelain stoneware collection that highlights the veining typical of the finest varieties of marble. A wide choice of inlays build up visually striking graphic patterns on walls and floors.**

Dai classici Apuano e Calacatta, attraverso le armoniose venature del Bardiglio e dell’Alpi, fino al deciso Marquinia, cinque colorazioni esteticamente variegate compongono una collezione in gres porcellanato dove le tipiche venature dei marmi più pregiati diventano protagoniste. Un’ampia scelta di intarsi costruiscono su pareti e pavimenti pattern grafici di grande impatto visivo.

**FR** Des classiques Apuano et Calacatta, en passant par les veines harmonieuses de Bardiglio et Alpi, jusqu'à Marquinia, si affirmée : cinq teintes esthétiquement variées composent une collection en grès cérame qui met en exergue les veines typiques des marbres les plus nobles. Sur les murs et au sol, un large choix d'incrustations permet de créer de saisissants motifs graphiques.

**DE** Von den Klassikern Apuano und Calacatta über die feinen Zeichnungen von Bardiglio und Alpi bis hin zur prägnanten Variante Marquinia: fünf verschiedene Farbstellungen für eine Feinsteinzeug-Kollektion, die die Äderungen der edelsten Marmore ausdrucksstark nachempfindet. Vielfältige Intarsien lassen eindrucksvolle Muster an Wänden und Böden entstehen.

**ES** De los clásicos Apuano y Calacatta, a través de las armoniosas vetas del Bardiglio y Alpi, hasta el resuelto Marquinia, cinco coloraciones estéticamente variegadas componen una colección de gres porcelánico en la que las típicas vetas de los mármoles más preciados se convierten en protagonistas. Las taraceas, disponibles en una amplia gama, construyen esquemas gráficos de gran impacto visual sobre paredes y pavimentos.

**RU** От классических Apuano и Calacatta, не забывая о гармоничных прожилках Bardiglio и dell'Alpi, вплоть до решительного Marquinia - пять цветов с разной эстетикой создают такую коллекцию керамогранита, в которой характерные прожилки самых ценных пород мрамора играют определяющую роль. Большой ассортимент инкрустаций для стен и полов создает очень эффектные графические панно.
