NUVOLA

Guarda le nuvole in cielo…se non puoi vederle da dove sei, immagina quella leggerezza trasferita su di una superficie ceramica morbida e setosa. Una superficie studiata per creare il confort della natura anche in spazi domestici chiusi; materie e colori che evocano sensazioni di benessere e armonia.
La nuova collezione NUVOLA di Ascot ceramiche è tutto questo; un tramonto che disegna sfumature di luce e colori, un soffio di vento che invita i fiori di primavera a danzare sospesi, un ritmo sapiente di riflessi madreperla che impreziosiscono i nostri momenti.

Look at the clouds in the sky… and if you can't see them from where you are, imagine that same lightness transferred onto a soft and silky ceramic surface. A surface studied to recreate the uplifting freshness of nature even in closed domestic spaces… materials and colours suggesting sensations of wellbeing and harmony. The new NUVOLA collection by Ascot (yes, 'nuvola' means CLOUD) brings all these things: a sunset slowly shading swirls of light and colour, a light breeze that invites suspended spring flowers to dance, a soothing mother-of-pearl enchantment glimmering to illuminate our moments.

Regardez les nuages dans le ciel... si vous ne pouvez pas les voir d'où vous êtes, imaginez cette légèreté transposée sur une surface de céramique douce et soyeuse. Une surface conçue pour créer le confort de la nature même dans les espaces domestiques fermés ; des matériaux et des couleurs qui font naître des sensations de bien-être et d'harmonie. La nouvelle collection NUVOLA d'Ascot ceramiche est tout cela : un coucher de soleil qui esquisse des nuances de lumière et de couleurs, un souffle de vent qui invite les fleurs printanières à danser dans les airs, un rythme savant de reflets nacrés qui embellit notre quotidien.

Betrachten Sie die Wolken am Himmel... falls Sie diese gerade nicht sehen können, stellen Sie sich einfach nur vor, dass diese Leichtheit auf eine zarte und seidige Keramikoberfläche übertragen wird. Eine Oberfläche, die die Annehmlichkeiten der Natur in den geschlossenen Wohnraum bringt; Materialien und Farben, die ein Gefühl von Wohlbefinden und Harmonie erzeugen. Die neue NUVOLA-Kollektion von Ascot ceramiche ist all dies: ein Sonnenuntergang, der Licht- und Farbschattierungen definiert, ein Windhauch, der Frühlingsblumen schweben lässt und gekonnt rhythmisch angeordnete Perlmuttschimmer, die unser Dasein verschönern.

Посмотри на облака в небе... и если это сейчас для тебя невозможно, представь себе эту легкость на нежной и шелковистой керамической поверхности. Поверхности, созданной для того, чтобы воссоздавать природный комфорт даже в закрытых домашних помещениях, с использованием материалов и цветов, вызывающих ощущение благоденствия и гармонии. Новая коллекция NUVOLA фирмы Ascot ceramiche заключает в себе все это: закат, переливающийся красочными оттенками, весенние цветы, увлекаемые дуновением ветра в воздушный танец, размеренный ритм перламутровых бликов, расцвечивающих мгновения нашей жизни.
